#### INDEPENDENT AUDITORS' REPORT

Board of Directors Children's Place Association and its Affiliated Organizations Chicago, Illinois

#### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of Children's Place Association and its Affiliated Organizations(collectively, the Association), which comprise the consolidated statements of financial position as of June 30, 2018 and 2017, and the related consolidated statements of activities, cash flows, and functional expenses and directly related program services revenue for the years then ended, and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

Board of Directors
Children's Place Association
and its Affiliated Organizations

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2018 and 2017, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2019, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Children's Place Association (the Association) was incorporated on April 10, 1989, in the state of Illinois under the General Not-For-Profit Corporation Act of Illinois. The mission of the Association is to build a secure and hopeful today so children facing health issues and poverty succeed tomorrow. The Association's five Affiliated Organizations – The Children's Place Housing Corporation, The Children's Place Home Health Corporation, The Children's Place Foundation, The Children's Place International NFP, and Children's Place Community Living LLC – were incorporated under the Illinois General Not-For-Profit Corporation Act in 1996, 1997, 1999, 2008, and 2011, respectively, to support the Association and its programs.

The Association is the only agency of its kind in the Midwest and serves children from the greater Chicago metropolitan area. The Association's revenues are derived primarily from various governmental agencies and the Association's accounts receivables consist of amounts due primarily from the state of Illinois. The Association's fiscal year ends on June 30. Significant accounting policies followed by the Association are presented below.

#### Use of Estimates in Preparing Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Principles of Consolidation**

The accompanying consolidated financial statements include the accounts of the Association and its five Affiliated Organizations that it controls through common management, board membership, and economic interest. Inter-organization transactions and balances have been eliminated in consolidation. The Affiliated Organizations of the Association are as follows:

#### The Children's Place Housing Corporation

The purpose of The Children's Place Housing Corporation (Housing Corporation) is to own all real property for the Association and any other of its Affiliated Organizations. The Housing Corporation charges a fee to the Association for the Association's use of the properties in running its programs.

#### The Children's Place Home Health Corporation

The purpose of The Children's Place Home Health Corporation (Health Corporation) is to provide skilled nursing and ancillary services to children in programs of the Association. The Health Corporation charges the Association for the costs of the skilled nursing provided to the Association's programs.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Principles of Consolidation (Continued)**

#### **Children's Place Community Living LLC**

The purpose of Children's Place Community Living LLC is to own and operate a facility to provide supportive housing for 13 low-income families living with disabilities or chronic illness. The name of this facility is West Humboldt Place.

#### The Children's Place Foundation

The Children's Place Foundation (the Foundation) raises the funds for the Association and its Affiliated Organizations. It also manages the Association's investments. The Foundation charges a fee to the Association and related organizations for its fundraising and fund management activities.

#### The Children's Place International NFP

The mission of The Children's Place International NFP is to improve the present and secure the future for children, youth, and families affected by HIV/AIDS in resource poor settings outside the United States.

#### **Cash and Cash Equivalents**

The Association considers all liquid investments with a maturity of three months or less when purchased to be cash equivalents. At June 30, 2018 and 2017, cash equivalents consist of interest earning money market accounts. The Association maintains its cash and cash equivalents on deposit with various financial institutions and investment companies, which at times may exceed federally insured limits.

#### **Accounts Receivable**

Accounts receivable are uncollateralized funding source obligations, which are generally paid within 30 days from the billing date. Accounts receivable are stated at the invoice amount.

Payments of accounts receivable are generally applied to the specific invoices identified on the funding source's remittance advice or, in some cases, to the earliest unpaid invoices.

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance for doubtful accounts is based on management's assessment of the collectability of specific funding source accounts and the aging of accounts receivable. If actual collections are lower than historical experience, management's estimates of the recoverability of recorded amounts due the Association could be adversely affected. All accounts or portions thereof deemed to be uncollectible or to require an excessive collection cost are written off to the allowance for doubtful accounts.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Pledges Receivable**

Pledges receivable are unconditional promises to give and are recognized as revenues or gains in the period that the pledge is made and as net assets, decreases in liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

#### **Investments**

Investments consist of equities, mutual funds, exchange traded funds, and corporate bonds. Investments are carried at fair value with gains and losses included in the consolidated statements of activities. Donated securities are recorded at market value on the date received or at nominal value when the market value is not readily available.

#### **Property and Equipment**

Acquisitions of property and equipment in excess of \$500 and expenditures that materially increase the value of the assets or prolong their useful lives are capitalized.

The Association depreciates its property and equipment on the straight-line method over the following estimated useful lives:

Building and Improvements 5 to 40 Years
Furniture and Fixtures 5 to 10 Years
Equipment 3 to 10 Years

#### Impairment of Long-Lived Assets

The Association reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell.

#### Support and Revenue

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

The Association receives a substantial portion of its operating funds from grants and awards. These funds are reported as unrestricted support as the grants reimburse the Association for services provided.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Support and Revenue (Continued)

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as "Net Assets Released from Restrictions" The Association has no permanently restricted net assets.

#### **Allocation of Costs**

The costs of providing various program and supporting services have been summarized on a functional basis in the consolidated statements of functional expenses and directly related program services revenue. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **Consolidated Financial Statement Presentation**

Consolidated financial statement presentation follows accounting principles generally accepted in the United States of America for nonprofit organizations. Accounting principles generally accepted in the United States of America require the Association to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

<u>Unrestricted Net Assets</u> – Those resources over which the board of directors has discretionary control.

<u>Temporarily Restricted Net Assets</u> – Those resources subject to donor-imposed stipulations that may be fulfilled by actions of the board to meet the stipulations, or become unrestricted at the date specified by the donor. When a donor or time restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the consolidated statements of activities as "Net Assets Released from Restrictions."

<u>Permanently Restricted Net Assets</u> – Those resources subject to donor-imposed stipulations that they be maintained permanently.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Income Taxes**

The Association and its Affiliated Organizations are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, they qualify for the charitable contribution deduction under Section 170(b)(1)(A) and have been classified as organizations that are not private foundations. The Association and its Affiliated Organizations are subject to income taxes on any unrelated business income. The Association and its Affiliated Organizations had no unrelated business income and there were no taxes owed for the years ended June 30, 2018 and 2017.

The Association and its Affiliated Organizations have adopted the requirements for accounting for uncertain tax positions. The Association and its Affiliated Organizations have determined that it is not required to record a liability related to uncertain tax positions for the years ended June 30, 2018 and 2017.

#### **Recent Accounting Pronouncements**

#### Revenue Recognition

In May 2014, the Financial Accounting Standards Board (FASB) issued amended guidance to clarify the principles for recognizing revenue from contracts with customers. The guidance requires an entity to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required regarding customer contracts, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. The guidance will initially be applied retrospectively using one of two methods. The standard will be effective for the Association for annual periods beginning after December 15, 2018. Early adoption is permitted beginning for annual reporting periods beginning after December 15, 2017, including interim reporting periods within that reporting period.

#### Clarifying Scope and the Accounting Guidance for Contributions

In June 2018, the FASB issued amended guidance to clarify and improve the scope and the accounting guidance for contributions received and contributions made. This amended guidance distinguishes between contributions and exchange transactions and assists in determining which guidance to apply. For contributions, the guidance in Subtopic 958-605, *Not-for-Profit Entities—Revenue Recognition*, should be followed. For exchange transactions, Topic 606, *Revenue from Contracts with Customers*, should be followed. In addition, once a transaction is deemed to be a contribution, this amended guidance assists in determining whether a contribution is conditional or unconditional, and if unconditional, whether the transaction is donor-restricted for a limited purpose or timing. The guidance should be applied on a modified prospective basis. As a resource recipient, the guidance will be effective for the Association for annual periods beginning after December 15, 2018. Early adoption is permitted.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Recent Accounting Pronouncements (Continued)**

#### Leases

In February 2016, the FASB issued amended guidance for the treatment of leases. The guidance requires lessees to recognize a right-of-use asset and a corresponding lease liability for all operating and finance leases with lease terms greater than one year. The guidance changes the accounting for sale and leaseback transactions to conform to the new revenue recognition standard. The guidance also requires both qualitative and quantitative disclosures regarding the nature of the Association's leasing activities. The guidance will initially be applied using a modified retrospective approach. The amendments in the guidance are effective for fiscal years beginning after December 15, 2019. Early adoption is permitted.

#### Financial Statements of Nonprofit Entities

In August 2016, the Financial Accounting Standards Board (FASB) issued amended guidance to improve the current net asset classification requirements and the information presented in financial statements and notes about a nonprofit entity's liquidity, financial performance, and cash flows. The main provisions of the update are:

- Present on the face of the statement of financial position amounts for two classes of net assets at the end of the year, rather than the current three classes.
- Present on the face of the statement of activities the amount of the change in each of the two classes of net assets.
- Enhanced disclosures in the following areas:
  - Board-designated net assets
  - Donor-restricted net assets
  - Qualitative and quantitative information on liquidity
  - o Amounts of expenses by both their natural and functional classification
  - Methods used to allocate costs among program and supporting functions
  - Underwater endowments
- Report investment return net of external and direct internal investment expenses and no longer require disclosures of those netted expenses.

The amendments should be applied on a retrospective basis in the year that the pronouncement is first applied. The standard will be effective for the Association for annual periods beginning after December 15, 2017. Early adoption is permitted.

#### NOTE 2 DESCRIPTION OF PROGRAM AND SUPPORTING SERVICES

The following programs and supporting services are included in the accompanying consolidated financial statements:

#### Residential Care Program

The 10-bed residential center is a transitional home for children with serious or life-threatening conditions. When a child's illness or the illness or absence of a parent necessitate placement in the home, social work and nursing staff assess the child's needs and attempt to reunite the child with his/her family, or to find another permanent family for him/her. Approximately 30 children are served in the residence each year.

#### **Family and Community Services**

Family and Community Services strengthens health compromised families in their efforts to remain together, by providing services such as supportive housing, counseling, case management, summer camp, and support groups. Approximately 200 individuals from 100 families in the community are served in Family and Community Services. Nine very low income and health compromised families live in subsidized apartments owned by the Housing Corporation or leased by the Association. Thirteen additional families currently live in West Humboldt Place.

#### **West Humbolt Place**

The West Humbolt Place is a 13-unit apartment building offering supportive housing for families challenged by serious illness and homelessness.

#### Foster Care Program – Specialized, Traditional, Adoption

The Foster Care Program addresses the needs of children unable to return to their birth families and in need of a foster or adoptive home. The goal of the Foster Care Program is to see that every child grows up in a stable and loving family. To that end, staff works to reunite children with their birth families whenever possible, and assist their foster families in adopting them if parental rights are terminated. Approximately 80 children are served in foster care each year.

#### **Early Learning Programs**

The Early Learning Center serves 133 children from infancy through age five in a centered based and a home based early childhood education program, Priority is given to children from very low-income families where either the child or parent or both are living with a serious health condition.

#### **International Program**

The International Program provides home visitation, nutritional support, educational assistance, after school programs, and antiretroviral therapy adherence support to approximately 330 children affected by HIV/AIDS in Haiti.

#### NOTE 2 DESCRIPTION OF PROGRAM AND SUPPORTING SERVICES (CONTINUED)

#### **Management and General**

Includes the functions necessary to maintain an equitable employment program; ensure an adequate working environment; provide coordination and articulation of the Association's program strategy through the office of the executive director; secure proper administrative functioning of the board of directors; maintain competent legal services for the program administration of the Association; and manage the financial and budgetary responsibilities of the Association.

#### **Fundraising**

Provides the structure necessary to encourage and secure private financial support from individuals, foundations, and corporations and to organize and manage the Association's special events.

#### NOTE 3 PLEDGES RECEIVABLE

Pledges receivable at June 30, 2018 and 2017 are all classified as current. Based on management's assessment of the collectibility of specific promises to give, no provision has been made for uncollectible amounts as of June 30, 2018 and 2017.

#### NOTE 5 FAIR VALUE MEASUREMENTS

In determining fair value, the Association uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability.

The measurement framework establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. The measurement framework defines levels within the hierarchy based on the reliability of inputs as follows:

Level 1 – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

#### NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

Fair values of assets and liabilities measured on a recurring basis at June 30 are as follows:

Fair value for Level 1 investments, investments held for deferred compensation plan, and deferred compensation plan liability are measured by reference to quoted market transactions that are listed on a national market or exchange, and are valued at the last sales price, or if there is no sale and the market is still considered active, at the last transaction price before year-end. Fair value for Level 2 investments is determined by reference to quoted market transactions for similar assets in less active markets.

#### NOTE 6 LINE OF CREDIT

The Association has a line of credit agreement that provides borrowing of up to \$450,000, under which \$125,000 and \$175,000 was outstanding at June 30, 2018 and 2017. Additionally, \$105,326 of this line of credit was pledged and restricted under a letter of credit established with the Illinois Housing Authority for the West Humboldt Place Project. This letter of credit expired in October 2017, one year subsequent of the project completion date. The line of credit agreement expired on May 5, 2018, and was subsequently renewed for a one-year period expiring on May 5, 2019. Amounts drawn against the line of credit are payable on demand and bear interest at prime (5.00% and 4.25% at June 30, 2018 and 2017, respectively), subject to a 4.00% minimum rate. The line of credit is collateralized by substantially all of the Association's assets.

Cash paid for interest during 2018 and 2017 was \$13,679, and \$8,068, respectively. No cash was paid for income taxes during either year.

During the year ended June 30, 2016, the Association had construction costs payable of \$165,815 in conjunction with the construction of West Humboldt Place. The liability was converted to long-term financing during the year ended June 30, 2017 (see Note 7).

#### NOTE 11 LEASE COMMITMENTS

The Association leases office space, miscellaneous equipment, and rental apartments under operating leases expiring in various years through 2024. Under the Association's lease for office space, the Association is also liable for its proportionate share of real estate taxes, assessments, and other operating costs.

Future minimum lease payments under these leases are as follows:

Year Ending June 30,	 Amount		
2019	\$ 214,171		
2020	157,704

Total rental expense on these leases for the years ended June 30, 2018 and 2017 was \$216,368 and \$225,304, respectively.

#### NOTE 12 COMPLIANCE WITH GRANTOR RESTRICTIONS

Financial assistance from governmental entities in the form of grants is subject to special audit. Such audits could result in claims against the Association for disallowed costs or noncompliance with grantor restrictions. An estimate of amounts due to funding agencies that may arise from such audits has been recorded. See Note 14 for discussion of the estimate included in the consolidated statements of financial position.

#### **NOTE 13 SIGNIFICANT CONCENTRATIONS**

Approximately 53% and 44% of the Association's unrestricted revenues for the years ended June 30, 2018 and 2017, were from one department of the state of Illinois.

Amounts due from this agency represent -0-% and 25% of the total outstanding accounts receivable balance as of June 30, 2018 and 2017, respectively.

#### **NOTE 14 SIGNIFICANT ESTIMATES**

#### **Liability for Excess Revenues**

The liability for excess revenues is based on management's assessment of the estimated amounts due to funding sources for program revenues in excess of program expenses. If actual excess revenues are higher than the historical experience, management's estimates of the amounts due from the Association could be adversely affected. A liability of \$94,682 and \$348,859 as of June 30, 2018 and 2017, respectively, has been included in Other Accrued Liabilities on the consolidated statements of financial position.

#### Allowance for Doubtful Accounts

The allowance for doubtful accounts is based on management's assessment of the estimated amounts of accounts receivable that may not be collected. If actual write offs are higher than the historical experience, management's estimates of the allowance could be adversely affected. An allowance of \$25,000 as of June 30, 2018 and 2017 has been netted against accounts receivable on the consolidated statements of financial position.

#### NOTE 15 DEFERRED COMPENSATION ARRANGEMENT

The Association has a deferred compensation arrangement with its executive director, which will provide benefits to the executive director upon retirement. The Association entered into a Section 457(b) deferred compensation arrangement effective December 1, 2008. Amounts contributed on an annual basis are at the discretion of the Association and will be invested in a portfolio determined by the executive director. Expense incurred by the Association for contributions made to the deferred compensation arrangement totaled \$5,000 and \$15,000 for the years ended June 30, 2018 and 2017, respectively. The value of the plan assets held by the Association for the deferred compensation plan was \$99,372 and \$89,224 at June 30, 2018 and 2017, respectively.

#### **NOTE 16 RECLASSIFICATIONS**

Certain reclassifications have been made to the June 30, 2017 financial statement amounts in order to conform to the June 30, 2018 presentation. These reclassifications have no impact on the total assets, net assets, or changes in net assets previously reported.

#### NOTE 17 SUBSEQUENT EVENTS

Management evaluated subsequent events through March 27, 2019, the date the consolidated financial statements were available to be issued. Events or transactions occurring after June 30, 2018, but prior to March 27, 2019, that provided additional evidence about conditions that existed at June 30, 2018, have been recognized in the consolidated financial statements for the year ended June 30, 2018. Events or transactions that provided evidence about conditions that did not exist at June 30, 2018, but arose before the consolidated financial statements were available to be issued have not been recognized in the consolidated financial statements for the year ended June 30, 2018.
